City Council speaks out in favor of WVJC bonds

The Campbell City Council unanimously adopted a motion endorsing the West Valley Junior College Bond Election at their meeting last Monday night, February 24. The question of endorsement was brought up by Robert Burton, 170 Coventry Drive, during citizen's request time. Councilman Edward J. Rogers, who has always been in favor of the Junior College District, replied that he had intended to bring the subject up later in the meeting but that he was willing to make the motion then.

The City Councils of Los Gatos and Santa Clara have already endorsed the Bond election, and Monte Sereno, which previously had spoken out against the bonds, now has announced they are "neutral". Saratoga City Council so far has taken no action.

Pres. John T. Wahlquist of San Jose State College and John R. Richards, director of the state Coordinating Council for Higher Education, have also endorsed West Valley Junior College's $16 million bond election March 10, Leon Poe, chairman, WVJC Citizens Advisory Committee has announced.

"Any delay," Wahlquist indicated, "in providing facilities for this new college will inevitably mean the waste of precious years and the loss of educational opportunity for hundreds of young people in the district."

Richards, describing the junior college as "an extremely important part" of California's system of higher education, said, "New junior colleges must be built if we are to continue to offer our citizens--young and old--quality educational opportunities. For these reasons, I urge the voters of West Valley Junior College District to approve the coming bond issue March 10."

WE HAVE NOTICED over the years how builders have tried to overcome the problem of people writing on walls, especially in men's rest rooms. We have seen the use of tile, and stainless steel among others, but most of them have not stopped these "latrine poets". But at last we discovered that someone found the answer. Apparently, the genius figured people are going to write, scratch or mark up the wall anyway, so let's make it easy for them. He placed a regular blackford on the wall with plenty of chalk. And by golly it was being used.

IN CONNECTION with our condemnation "problem" we appeared before the newly formed appeals board last week. As far as we were concerned it was a waste of time for us and the members of the board. However we agree there is a need for such a board. As we were told, the board's function is solely to judge the building department's actions in any particular case.

IN OUR CASE we have no disagreement as to whether or not the building should have been condemned. So just in case the City condemns one of your buildings for any reason, and you want to appeal, just be sure you notify the building department at least two weeks before the expiration of your condemnation.

WE ARE CERTAINLY HAPPY to learn that Charles Rose tossed his hat into the council race. Charlie was a City Councilman for 6 years, until he decided not to run again. He has kept his interest by attending just about all of the Council Meetings and many of the Planning Commission sessions. We have always liked his conservative thinking. We think that as long as Charlie is willing to serve, the voters should take advantage and give him an overwhelming vote.

DURING THE Chamber of Commerce luncheon tomorrow, Ray Schreck, manager of the local Breuner store, will present a gavel to C of C president Jack Dawson. The story behind this gavel goes back a couple of years to when William Breuner noticed the then president of the Chamber (we think it was Beach Strohm) called the meeting to order by using the spoon and glass method. After being introduced Breuner offered to present a gavel to the Chamber.

THEN ALL WAS FORGOTTEN until the last Chamber installation dinner when we noticed that the new president had forgotten a gavel at the head table. So being "on the ball" we picked it up to give to Paul Landwehr to take "back home". As we looked at the thing we noticed the Kiwanis emblem on it. When we asked Paul what had happened to the new gavel from Brueners', he replied that he knew nothing about it and that all this had transpired before his time.

AFTER CHECKING with Schreck, and he checking with Bill Breuner, we learned that the gavel had never arrived in Campbell. Anyhow Ray kept on the job and the Chamber of Commerce will have its gavel. And Bill Breuner can join our club, as we are the president of the "Allowing things to slip our mind club".

Both sides of bond issues to be aired Febuary 27

Both sides of the proposed $16,000,000 bond issue for the West Valley Junior College will be aired tomorrow night, Feb. 27 at a debate in Los Gatos High School sponsored by the Los Gatos Junior Chamber of Commerce and the League of Women Voters.

The bond issue will be decided at an election on March 10. The college district includes Campbell, parts of West San Jose, Los Gatos, Saratoga, Monte Sereno and Santa Clara.

Speakers for the bonds will be Bruce Allen of Los Gatos, president of the district Governing Board, and Dr. Edwin C. Browne of Los Gatos, clerk of the board.

Two opposing speakers will be chosen from Phil Lively and Leonard Wade Jr. of Saratoga and Dale Scott of San Jose, secretary of the Santa Clara County Taxpayers Association. Lively and Wade represent the Committee for Sound School Financing.

The debate will start at 8 o'clock, and each side will be allowed a total of 20 minutes time, followed by questions from William Glennon of Saratoga, the moderator, and written questions from the audience. The forum will conclude by 10 o'clock.

Opposition to the bonds speeded up last week, with Lively speaking to the Leigh High School Club of Campbell.

Reasons for the opposition were outlined by Adm. Charles A. Lockwood (Ret.), chairman of the Committee for Sound School Financing, and Wade, co-chairman.

A statement issued by Adm. Lockwood and Wade said: "Taxpayers of the West Valley Junior College District are urged to vote against this bond issue because:

"This junior college district was formed against advice of consultants from the University of California and the State. The legality of this district is doubtful because its economic base is insufficient.

"Promoters of this district promised a maximum tax rate of 35 cents per $100 assessed value. After forming the district in 1963 the present tax rate of 54 cents was set.

"At first it was indicated that a campus would be selected before this election. To date the voters have not been so informed.

"The public has not been officially informed whether there are to be one, two or three sites; their locations; total acreage involved; estimated ultimate cost for land, development, buildings and equipment, or what emphasis will be placed on vocational, academic, cultural and athletic program."

Burglars press their luck once too often

Luck ran out for two youthful burglars who returned to the scene of their crimes last Tuesday night. George A. Bailey Jr., 18, 4841 Kingsbrook Drive, San Jose, and Roy Thomas Turner, 22, 1551 Cherry Street, San Jose, were apprehended by Campbell Police last Tuesday night in the act of burglarizing the Golden State Cleaners, 2175 Winchester Boulevard. They had approximately $113 in their possession which they had taken from the dry cleaning and washing machines. The money was stored in a satchel.

The youths were first observed by Campbell Police Officers Larry Newland and Anthony Silva who were making a patrol check of the area. A car, belonging to the youths, was found on Cherry Lane Avenue. A blank, automatic pistol and a shot gun were found in the car, along with wallets and identification in the glove compartment. The keys were still in the ignition.

The two youths, who have been suspects in previous burglaries at the Cleaners, were taken to County Jail and booked for burglary. Bailey is awaiting sentence on a forgery charge in San Jose. It is expected they will be arraigned on the burglary charge today.

Sleepy driver hits fence

Thomas Carston Hansen, 29, 1917 Adelaide Way, San Jose, reportedly fell asleep at the wheel of his 1963 Pontiac and smashed into a fence between two duplexes located at 212 and 222 Superior Drive early last Saturday morning. Luckily neither Hansen nor the occupants of the duplexes were injured. A P.G. & E. gas main was broken and a glass door and drapes in one of the duplexes were damaged. The automobile received major damage.

Hansen told the Investigating Officer A. Silva that he had slept in the car while a friend drove home from San Francisco. After his friend got out he started to drive home. He could not remember what he was doing on the street where the accident occurred. Hansen said he has had problems with sleepwalking and is hard to awaken. Officer Silva recommended that a complaint for reckless driving be filed.

C of C luncheon tomorrow noon

Campbell Chamber of Commerce will hold its monthly luncheon meeting at Villa Felice tomorrow, February 27, at noon. Program chairman Art Mayo announces that George Haines, U.S.A. 1960 Olympic Swimming Coach will be the guest speaker. Don Schollander, World Champion Swimmer and 200 meter record holder has also been invited to the luncheon.

The Chamber encourages all its members to bring guests and to make reservations by calling the Chamber Officer, 378-6252.

ERECT MARKER—West Valley Junior College, which will hold its first classes Sept. 14, this week erected a marker at its future temporary campus in downtown Campbell. The College has leased the Campbell Grammar School on a temporary basis. Those participating in the sign-raising ceremony included (left to right) Dave Ritter, Campbell High School student, Dean Gene Arnold, Sandy Stone, a prospective Freshman, Dr. Wallace W. Hall, president and superintendent of the West Valley Junior College, and Dean Gordon Aumack, dean of instructional services.

Commission grants zone change to Latimer property

Following several delays while members studied the problem, the Campbell Planning Commission granted approval of a zone change to Burke and Ferro from R-1 (single family residence) to P-D (Planned Development) on property located in the Latimer Avenue neighborhood.

The property which includes 12 acres at 721 and 741 W. Latimer Avenue, is bound by Hamilton Avenue, Livacich Drive, and the proposed San Tomas Expressway.

Commissioner Harry Lee stated that the Commission has been trying for sometime to get Hamilton Avenue developed and that this Planned Development zoning would protect the future development of this heavily traveled area. Commissioner Homer Hyde said the proposed north half was premature at this time but that Lee had a good point in protecting the future development of this area. Garden apartments, a service station and a five story commercial complex is planned for this property within the next three to five years.

Absentee ballots available for bond election

Applications for absentee ballots for the West Valley Junior College bond election, March 10, are now available, Dr. Wallace W. Hall, college president has announced.

The applications may be obtained from any of three sources: County School Superintendent's Office, 70 W. Hedding, San Jose; West Valley Junior College District Administrative Office, 4710 Campbell Ave., San Jose; and the WVJC Citizens' Advisory Committee Headquarters, Saratoga Ave. and Prospect Rd. (Salinas Savings & Loan Assn. Building), Saratoga. The ballots themselves must be obtained from the County School Superintendent's Office, upon presentation of the application.

The last day to apply for absentee ballots, Dr. Hall said, is March 3, except for military personnel, for whom the deadline is March 5. The ballots must be returned to County School Superintendent, C.R. Timpany, no later than 5 p.m., March 9, the day before the election.

The official canvass of the election returns will begin March 17, and absentee ballots will be tallied at that time.

Out-of-control car hits two Campbell boys

Two young Campbell boys playing marbles in front of their homes on Harriet Avenue were struck by a careening auto last Friday afternoon. William Vick, 11, 732 Harriet Avenue and Scott Meyer, 8, 1094 Harriet Avenue, are in fair condition in Los Gatos Community Hospital

Both boys suffered multiple abrasions and internal injuries. The Meyer youngster suffered two fractured legs and the older boy, Billy Vick, has pelvic injuries. Driver of the car was identified as Henry Lee McCallister, 19, of 760 Filbert Way. Highway Patrolman Dawson Baker said the vehicle apparently went out of control rounding the corner and skidded 180 feet as it careened from one side of the road to the other. The car plowed into the youngsters, knocked down a tree and two mail boxes before coming to rest within a few feet of the Meyer boy. The youngsters are both students at the San Tomas School. CHP reported the accident is still under investigation.

Editorial

Three out of ten

Ten Campbell men have stepped forward to offer their services to the City. The electorate must choose three to sit on the Council with the two holdover men to guide our City during the next four years.

Because the men elected in the April 14 election will constitute the majority, it becomes even more important to vote for "right" men. And it may very well be that the next mayor may be one of the three "new" men. And here again it adds to the importance to your vote.

In our opinion, Campbell's future is at stake. Many questions must be answered during the next few months. Each of us must expect direction from these men. But in turn we feel that it is extremely important that the citizens of Campbell take an active interest in the coming election by raising questions and expressing opinions. By doing this we can expext to receive opinions from the various candidates. To speak in generalities serve no purpose, and to make a popularity contest of the election benefits no one.

Campbell has become big business. With an annual budget of over one million dollars of the electorate's tax money, it behooves each voter to vote with knowledge about the candidate. It has always been our contention that the local government being the "grass roots" of our country, it is of extreme importance to protect it with all of the interest each of us can muster. Let's declare open season on questions, answers and interest. We shall all benefit. It makes good tax dollar sense.

SOCIAL SECURITY

Questions and Answers

U.S. DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE
SOCIAL SECURITY ADMINISTRATION

Q.-I am a widow who receives social security checks for my two sons. The oldest, who is 16, worked during the summer vacation last year as a cashier in a supermarket. Should I notify the Social Security Administration of his summer work?

A.-Your son's social security benefits would be affected only if he earned over $1200 last year. If he worked only in the summer months, the chances are his earnings were well below this amount. You should find out just what his earnings were; and if he didn't earn over $1200 last year, no action is necessary. On the other hand, you should notify your Social Security Office promptly whenever he is working and if you expect his earnings will exceed $1200 in a year.

Q.-I have changed my address and have notified the Post Office. Is this enough to chance the address on my social security checks?

A.-No. You should also notify the Social Security Office of your new address.

Q.-My wife and I were receiving a combined social security check until she died last month. I took the check which I received early this month to the bank but they would not cash it. Isn't this check any good? What should I do?

A.-A joint check can be cashed only with the endorsement of both parties. You should return the check to your Social Security Office promptly, notifying them of your wife's death. A wife's benefit is not payable for the month of her death, so that part of the check is not due. Your share of the check will be sent to you in a separate check.

Q.-At least once a year I receive a notice with my social security check, reminding me to report certain events to the Social Security Office. Is it necessary for me to go to the Social Security Office each time I get this notice?

A.-No. The notice is only a reminder listing those events that can affect your benefit payments. If none of these events occur, there is no need to report.

TIME CHANGE

Hazelwood School went on a new time schedule effective this week. Beginning last Monday classes started at 8:30 a.m. and concluded at 2:00 o'clock. The previous school hours were 9 a.m. to 2:30 p.m. According to school officials, the reason for the change was that the children were found to be more alert in the morning and able to comprehend better.

ON CAPITOL HILL

REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

As one of the most capable politicians of this century, Lyndon Johnson knows it is not possible for him to arouse the same enthusiasm and dedication amongst liberals that his predecessor enjoyed. He must, therefore, solidify, and rely upon what has always been his personal base of support. This accounts for his special efforts to polish and refurbish the old Johnson image as the patron of frugality and economy. It explains the campaign to douse White House lights, curtail the use of limousines, tourist plane tickets for the First Lady, and the recent Johnson "economy" budget.

Because of its strategic political significance, an all-out effort to debunk the Johnson budget can be expected in the next few months. And though it is difficult to make budget financing a juicy item with popular appeal, the effort could well succeed.

By reducing his "expenditure" budget to $97.9 billion, the President appears to be putting the brake on spending. But some of the cuts are more illusory than real.

$607 million in budget "cuts" are from the sale of assets by the Export-Import Bank and of federally held housing mortgages. To claim this as a budget reduction is like claiming you are living more cheaply this year because you decided to spend your inheritance.

An additional $791 million to be spent this year is being charged against the budget submitted last year. This includes $330 million for urban renewal, $166 million for health, education, and welfare, $100 million for the moon program, $45 million for youth training and $150 million for contingencies. Thus, the Johnson "economy" budget should, if accuracy is to be served, be increased by another $791 million.

The "expenditure" budget is less than half the story. Another budget for "New Obligational Authority" is a much better indicator of future spending intentions. It is not unlike credit card or installment buying in that it authorizes a President to incur obligations which must be paid off in future years.

This year the Johnson New Obligational Authority budget requests the right to charge $103.8 billion to the future. This is an increase of $1.2 billion over the last similar request by President Kennedy. The increase clearly indicates that in the year following the election, the "expenditure" budget must increase to more than $100 billion.

In '63 and '64 the government ran up bills of $7 billion more than income. Part of this must be paid next year, assuring another boost in the "expenditure" budget.

While supposedly cutting expenditures, the Johnson Administration is at the same time urgently pushing bills for mass transit, a youth opportunities program, grants for schools, a salary increase, area redevelopment, and an attack on poverty. If passed as Mr. Johnson wants them, they will cost about $2.4 billion this year and at least $5 billion next year.

These are the reasons it is presumed today, in some circles, that the Johnson economy drive is not intended to last past election day next November.

The "economy" budget may turn out to be like Houdini's magic -- now you see it and soon you won't.

Three Deans named by WVJC trustees

Two new deans were appointed and a third given a new post by trustees of West Valley Junior College, completing top administrative assignments, Pres. Wallace W. Hall has announced.

In a reassignment, Dr. Gordon D. Aumack, 49, who was appointed Dean of Student Personnel Services last October, was named Dean of Instruction.

Robert E. (Gene) Arnold, 52, administrative assistant, was named Dean of Campus Facilities. He had served briefly as interim superintendent of WVJC District before Dr. Hall was appointed President-Superintendent last July.

Jerry H. Girdner, 46, Dean of Students at College of the Sequoias, Visalia, since 1953, was named Dean of Student Personnel Services, succeeding Dr. Aumack. Girdner will begin duties with WVJC July 1, with Dr. Aumack handling both student and instructional matters meantime.

Dean Aumack began duties with West Valley College, Jan. 2, coming from Compton (Calif.) Junior College where he was Dean of Student Personnel. He is a graduate of the University of California at Los Angeles, where he earned BA, MA and Ed. D. degrees.

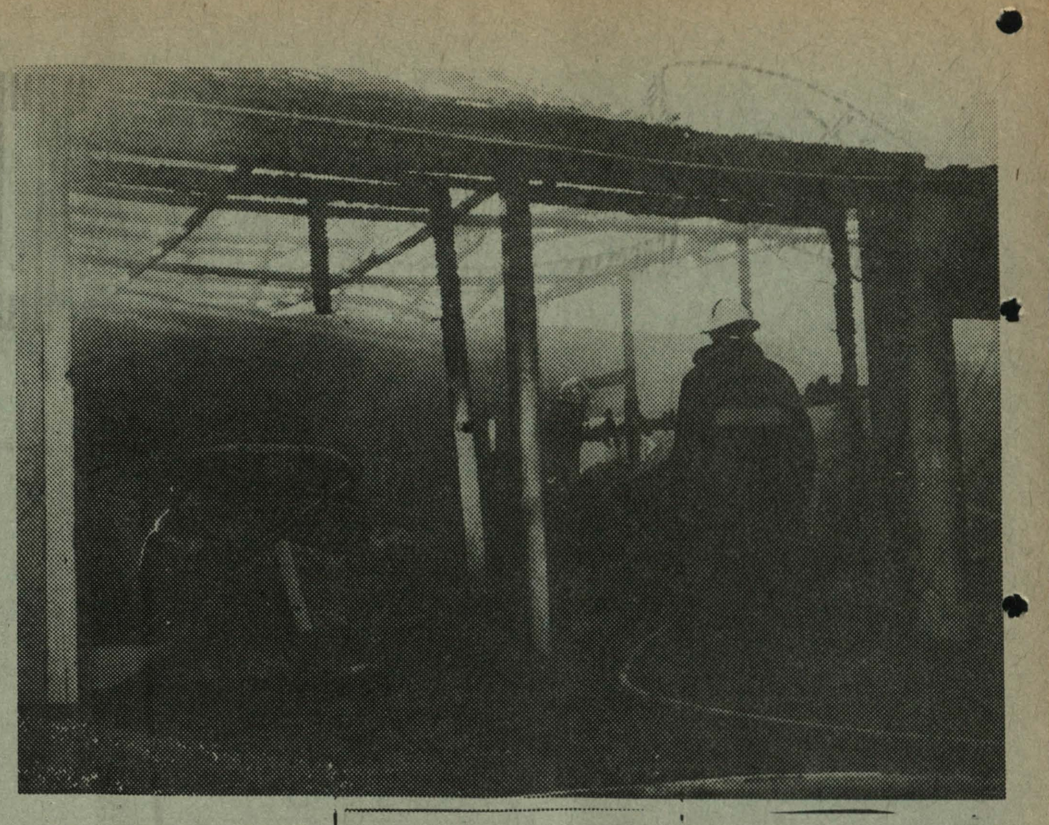
MORE STRINGS NEEDED

The West Valley Community Orchestra, directed by Raynold Allvin, which meets every Monday night at Blackford High School, is still in need of more strings, according to the Campbell Adult Education Department which sponsors the project. Anyone who plays the cello, viola, violin or string bass is particularly welcome to the orchestra.



PLAYING WITH MATCHES CAUSED THIS—A three car garage was burned to the ground Friday afternoon at the Edward Silvera home 1703 Willowhurst Avenue, and a 1952 Chevrolet and five rooms of furniture were reduced to rubble as the result of a little boy's playing with matches. Another garage and a neighboring two-story house were also singed from flying cinders. The three blazes drew hundreds of spectators and 20 county firemen.

Spanish teacher demonstrates teaching methods

Raul Rodriguez, Spanish Instructor for the Moreland School District, demonstrated to the teachers and parents attending the Latimer Home and School Club meeting recently how he conducts his instruction program. Many of the Latimer School sixth grade students assisted him in song and conversation carried on in the Spanish Language. Mrs. Oates, Latimer School Teacher, demonstrated the Micro-Projector to the more than 100 parents and teachers present. The Micro-Projector transfers microscopic pictures to a screen for all to view. It has been the policy of the Club to demonstrate one of the school's teaching aids at each of their scheduled meetings during the year.

The next regular meeting of the Latimer Home and School Club will be held on March 17th with the program being centered around Camping and Hiking. On this same day, the Club will begin a Rummage Sale at the IOOF Hall in Campbell which will last three days. The proceeds will be used mainly for books for the Latimer school library.

The Latimer School Teachers were honored by the Club on February 14th with cake and flowers to celebrate Teacher Recognition Week.

Villa Montalvo presents World of Carl Sandburg

The unusual theatre production, "The World of Carl Sandburg", staged and performed by San Jose State College drama department, will have its showing to the public at Carriage House Theatre, Villa Montalvo, near Saratoga, Saturday evening, (Feb. 29) at 8:30.

Presented in reader's theatre style, the play is an adaptation by Norman Corwin, and presents stirring selections from Sandburg's published, and some yet unpublished, works and lively folksongs from his "American Song Bag".

A gift to Montalvo for its cultural programs, the production was a big hit at two sell-out performances at SJS recently.

Noreen Labarge Mitchell, associate professor of drama at the college, is director of the play, and the repeat performance at Montalvo will have the identical original cast of 11 players, all graduate or senior student majors in drama, English and music.

In the featured roles will be Russell Holcomb and Lee Ruggles, Luis Valdez and William Keeler, who will play the parts which starred Leif Erickson, Bette Davis, and Clark Allen in the New York production.

Keeler sings and plays the guitar in presenting melodies from Sandburg's "Song Bag", and Holcomb, on the trombone, backs up the readings of "Jazz Fantasia" and "Snatch of Slip Horn Jazz".

Others in the cast are Marian Green, Carol Hartman, William Pendergrast, James Ehrenburg, Carl Gatto, Michael Grimes and David Simpkins. They appear as solo readers and the latter four provide action to the comic bits.

Sponsoring the performance is Montalvo's drama committee, headed by co-chairman Lilian Fontaine and Claire Loftus, who announce advance ticket orders may still be phoned to Mrs. Samuel Day, 1005, or Mrs. Paul Beaudry, 379-4326. Admission price is $2.00 each.

Montalvo's Carriage House has a maximum audience capacity of 300. Any tickets remaining after advance orders have been earmarked, will be placed on sale at the door, a committee spokesman said.

CARD PARTY

A public card party will be sponsored by West Valley Unit 158, American Legion Auxiliary, on Monday March 2 starting at 1 p.m. in the American Legion Hall, 1344 Dell Avenue, Campbell.

Good Samaritan is being constructed on the outskirts of Campbell, near the intersection of South Bascom and National Avenues. A non-profit hospital

"Kismet" opens Friday night

"Kismet," fanciful musical on an Oriental theme, opens Friday night at 8:30 p.m. in Montgomery Theater, little theater in the San Jose Civic Auditorium building, Market at San Carlos (Stevens Creek), followed by a gala reception for the group's supporters in the Hotel St. Claire.

Leilani Nye Welch of Campbell will be responsible for the dancing, as choreographer, and another local girl will be one of the three Princesses of Ababu. She is Gayle Adams of 1713 White Oaks.

The five leads are among the outstanding Bay Area singers, according to George Costa, director. They are Don Pedersen of Mountain View, Nancy Crotwell of San Jose, Stuart Scott of San Francisco, Dorothy McDonell of Monte Sereno, and Allen Praefke of San Jose.

Music for "Kismet" is from Alexander Borodin, with musical adaptation and lyrics by Robert Wright and George Forrest. The book is by Charles Lederer and Luther Davis, based on the play by Edward Knoblock.

Mrs. Gordon Walsh honored by Campbell PTA

Gladys Walsh, secretary to Robert Culp, Principal of Campbell High School has recently been awarded Honorary life membership in Campbell High School P.T.A. The award was presented on February 19, during a P.T.A. meeting held in the Campbell High School cafeteria.

As a unique way of introducing the new Honorary life recipient, the game of Password was played by setting up a panel of P. T. A. persons, and including Mrs. Walsh as one of the panelists. Words such as dependable, devoted, considerate were worked on before one of the panelists said "Walsh", thereby surprising Mrs. Walsh.

The honor award was given to Gladys Walsh because of her devotion to Campbell High and continuing help and encouragement to Campbell's students, teachers, and parents. Mrs. Walsh is always there when the P.T.A. needs her. Robert Culp describes her as, "The kind of person to whom Campbell High comes first. Her loyalty is a real credit to her and her family".

Mrs. Walsh has been with Campbell High 6 years. She has two sons, Jim and Bob, who are students at Camden High.

City Manager returns from Palm Springs

Robert C. Stephens, Campbell's newly appointed City Manager, has returned from Palm Springs where he attended a departmental meeting of the League of California Cities last Wednesday. The meetings were held at the Riviera Motel in Palm Springs. Stephens reported that the sessions were very productive, and that City Managers discussed their common problems and how to solve them. The Managers spend some time discussing unethical behaviour among their own ranks and how to prevent it, Stephens said.

Although President Johnson and President Matteos of Mexico were in Palm Springs, Stephens said he did not see them. He did report, however, that the Marine Corps was out in full regalia and that government men were in evidence. He said that the League meetings were requested to be over by Friday as a reception for the Presidents was scheduled at the Riviera Motel Friday night.

Young wife succumbs from cycle injuries

Funeral services were conducted from the Campbell Memorial Chapel last week for Mrs. Bertha Hinderks, 14, 805 Steinway Avenue, who was killed when she was thrown from her husband's motorcycle last Wednesday.

The young wife was riding on the rear of the motorcycle operated by her husband, Stephen, 18, when the throttle stuck in the wide-open position. Hinderks lost control of the machine, an axle snapped, and the motorcycle smashed into a house at 1231 Lovell Avenue, Campbell.

Mrs. Hinderks was dead on arrival at Campbell Community Hospital. Coroner's Investigator Richard Mayne said the cause of death was massive internal injuries. Hinderks suffered a broken leg. Mrs. Hinderks is survived by her parents, Mr. and Mrs. Carlos B. Poss, 342 Latimer Avenue, Campbell.

Campbell church to aid Indians

Navajo Indians, many of them ridden by disease, poverty and superstitions, will be given aid through a special offering being received at the Campbell Seventh-Day Adventist Church, 65 E. Rincon Ave., Saturday, February 29, at 11 a.m.

"There are thousands of Navajos living in the vast Paiute Strip of sand and rock along the northern length of the Navajo reservation who need modern medical care," said Pastor Jewell T. Bolejact of the local church in announcing the special offering.

"With medical facilities already located at Rock Door Canyon, Mexican Hat, and Navajo Mountain, the Seventh-Day Adventist Church is now seeking to increase its health-giving service to these unfortunate people," Pastor Bolejack pointed out.

"With Indians coming 75 to 100 miles for medical care to these already existing facilities," said Pastor Bolejack, "There is need to begin other clinics. Where one Indian has a pick-up truck with which to travel these long distances to the hospital or clinics, there are two or three others who cannot make the trip because of lack of transportation."

Pastor Bolejack said Adventist officials hope to begin medical work soon near the Indian village of Mexican Water in the northeastern part of the Navajo reservation.

"Funds given through the special offering planned for February 29 will do much toward developing such new health care facilities for the Navajos," noted Pastor Bolejack.

Criminal Lab gets research grant of $17,300

Santa Clara County's Laboratory of Criminalistics, a division of the District Attorney's Department, has been awarded a $17,300 grant by the U.S. Public Health Service to extend techniques for finding and measuring drugs and poisons in human tissues.

Lowell W. Bradford, Director of the Laboratory, is conducting the study, which began this month and will run till January 31, 1965.

Bradford said the funds will be used to modify or exchange an advanced analytical instrument called a spectrophotometer, and will also pay for an additional staff person to work with him on the study. If essential work remains to be done at the end of two years, the project may be renewed.

If the project is as successful as preliminary studies indicate, Bradford expects his laboratory to be able to handle a larger number of Coroner's cases. Analytic techniques will be speeded and will be given a wider usefullness. In addition, it will be possible for Bradford, who is also a member of the County Hospital staff, to do rapid analyses on patients entering County Hospital in a comatose state, thus speeding doctors' diagnoses.

Girl Scouts

An International Potluck Dinner was held by Girl Scout Cadette Troop #13 at Bennett Hall on January 18, at 6 p.m.

Highlights of the evening were the breaking of a Mexican pinata, which had everyone swinging wildly, a Polish "Beast" that danced when fruit was tossed into its mouth, a fascinating Czechoslavakian toy that takes a long winter's night to make and enjoy, and a truly Italian decorated table.

The general planning was done by the Apache patrol, Laurie Mason, June Milner, Kathleen Farris, and Jamie Rice. Each patrol chose a country and then planned a menu, table decoration, and skit or game typical of this country.

The delicious food was prepared by the girls and served buffet style.

Special guests were Mrs. Ahydycki and Mary Susan Ahydycki, who gave invaluable help to the girls who chose Poland, Mrs. R. Macdonald, leader of the troop, Mrs. J. V. Farris, co-leader, and the troop committee, Mesdames D. Mason, T. Okuda, B. Dunn, and E. Lloyd.

Girls taking part were Pat Okuda, Diane Jones, June Milner, Jamie Rice, Cheryl Dunn, Kathleen Farris, Barbara Hudec, Cathy Kelly, Darlene Lloyd, Dawn Macdonald, Pam McClain, Mary Scrivano, Kathryn and Sara Shadle, and Donie and Laurie Mason.

44 memberships to YMCA recruited by Campbellites

Campbell area "cowpokes" played a prominent part in the successful YMCA membership roundup recently concluded by the Southwest and Central Branches of the Metropolitan "Y" of San Jose and the Santa Clara Valley.

"Camp Dry Creek" of the Circle S-W Range (Southwest Branch), under the leadership of the Rev. W.H. Gould, pastor of First Methodist Church of Campbell, brought in 44 "brands", otherwise described as participating and sustaining "Y" memberships.

The two branches, Central and Southwest, the latter serving West Valley communities, topped their combined goal of 1,750 "brands" by recording a total of 1,832 for a dollar value of $80,834.

The accomplishment was celebrated at a victory dinner held at the San Jose "Y" last week.

Other members of Camp Dry Creek, with the Rev. Gould, were C.R. (Bongo) Timpany, Bob (Bow Legs) Culp, Harry (Quiet Pete) Mayfield, Harry (Handsome) Colby, Bill (Bronco) Brower, Stan (Wild Bill) Elliott and Bill (Feet) Oltmann.

Margie Cutshall received the highest score at Del Mar on the Betty Crocker test. She will be awarded $1,500 in a college scholarship if she wins state competition. The second highest girl will receive a $500 scholarship. The state competition winner's school will receive a set of the Encyclopedia Britannica.

The last after-game dance of the season, sponsored by the Junior Girls' Service Club, was held last Friday night. All of the proceeds went to AFS.

"KISMET" PRINCESSES--Gayle Adams of Campbell (left, kneeling), Cindy Huddon (center) and Yvonne Lamb are three princesses of Ababu in "Kismet," San Jose Light Opera Association production being staged at 8:30 p.m. Fridays and Saturdays through March 14 in Montgomery Theater, little theater in the San Jose Civic Auditorium building. Judith Long enjoyed role as 1963 Queen

"Everything about being 'Miss Campbell' has been fun, but the best part has been meeting all the people." This was the statement Miss Judith Long, Miss Campbell of 1963, had to say to all the candidates for the job of Miss Campbell of 1964.

When asked about any particular highlights of the year, Miss Long replied that there were two events she would especially treasure in her memories; one was riding in the Old Settlers' Parade last year, and the other was the chance to meet Billy Wilson, who served as coordinator for last years Old Settler's Celebration, and Y.A. Tittle, 1963 Grand Parade Marshall. This year Billy Wilson, who was recently appointed end coach for the 49'ers, will serve as assistant coordinator.

Miss Long went on to state that "although I don't live in Campbell, I feel as though I were a part of Campbell. I've met a lot of wonderful people and I hope I've represented Campbell to its best interests. I'm just sure that the girl who will be Miss Campbell of 1964 will benefit by the experience and love the job every minute, even as I have. The experience in getting to meet new people will help a candidate, no matter what profession she goes into."

Miss Long, who is a student at San Jose State, hopes to teach drama upon completing her course.

During the year Judith has participated at many new business openings and was also a finalist in the Miss Santa Clara contest. She has been keeping a scrapbook of the many wonderful events during the year and especially commented on the "royal treatment" given her by the Campbell Chamber of Commerce, who sponsor the Miss Campbell contest. Judith stated that she "would like to thank Paul Landwehr, secretary-manager of the Campbell Chamber and Ken Stephenson, Miss Campbell chairman who have been so wonderful to me through the year. They have helped me all the way and have made the whole year a marvelous experience."

Stephenson, who is also serving as this year's chairman for the Miss Campbell contest, added a final note of warning to all girls between the ages of 17 and 22 who are thinking about entering the Miss Campbell race. Deadline for filing entry blank requests is March 1 at the Campbell Chamber of Commerce office, 33 North First Street. All contestants must be residents of Campbell.

County observes National Weights, Measures Week

CHECKS THE MEASURE—William Proctor, 2225 Dorval Drive, Deputy County Sealer of Weights and Measures inspects oil measuring device in service stations. All gasoline pump meters, and grease dispensing meters are tested for accuracy in service stations all over the country. County Weights and Measures is observing National Weights and Measures Week March 1 through 7.

There are official "Weight-Watchers" assigned specific jobs for this purpose. The Santa Clara County Sealers Office headed by Deane R. Pratt, is observing "National Weights and Measures Week" March 1-7. The first weights and measures law enacted by Congress on March 2, 1799 invoked weights and measures that have impact on each and everyone of us as buyers or sellers of commodities.

The job of Mr. Pratt's office is to watch over, supervise and test the accuracy of weighing and measuring devices used in trade and to test the weight of packaged goods.

Although our Weights and Measures Laws are 165 years old, the history of the scale, mans best known measuring device, is considerably older. In the Science Museum in South Kensington, England, a balance known to have been used in 5000 B.C. found among prehistoric graves in Naqada, Egypt, is still in existence. As early as 2100 B.C. the Code of Hammurabi set forth an ancient weights and measures law. "If the mistress of a beer shop has not accepted corn as the price of beer or has demanded silver on an excess scale, and has made the measure of the beer less than the measure of corn, that beer seller shall be prosecuted and drowned."

The punishment is no longer so drastic, of course, but if packages are not up to labeled quantities, the product is ordered "off-sale" with warning to the merchant; the scales are tested for accuracy and if investigation shows shortages and incorrect weighing or measuring devices are willful, prosecution with fines and possible criminal penalties may be involved.

We salute the Santa Clara County Sealer's office in honor of "National Weights and Measures Week".

Y-Teens to sell candy to finance community project

Girls in Campbell High and Blackford High Y-Teens will be selling candy during the next two weeks to finance their community projects. Y-Teens clubs are sponsored by the San Jose YWCA.

Coming up for the Blackford group, made up of freshmen and sophomores, is an Easter basket project. The girls give imaginative baskets to youngsters at Santa Clara County Hospital.

Traditionally, the Campbell girls finance camperships for youngsters who might otherwise have no summer activities.

The Campbell High officers are Jane Kaneko, Joyce Robins, Lynn Phillips, and Angie Asko. Officers of the Blackford group are Vicki Gioia, Linda Cattone, Carolyn Gill and Eloise Jones.

Faculty advisers are Mrs. Mona Conn, Blackford, and Mrs. Janet Randall, Campbell.

Local company to display products

Four executives of West Coast Sales, 420 E. Central Avenue, Campbell will attend the fourth Western convention and exhibit in San Francisco of the National Stationery and Office Equipment Association, Feb. 28-29, March 1.

T.H. Ramsey, Dan Clary, T.C. Midgley and Sam Stanley of Campbell will be among 400 exhibitors of the $8-billion industry at Fairmont Hotel and Brooks Exhibition Hall.

More than 5,000 representatives will come from 13 Western states, including Alaska and Hawaii, to view new products including West Coast Sales' novel "Nodalon" candy erasers.

The Campbell manufacturer also will display its complete line of magnetic clips, Omega pocket adding machines and bow compasses and Wescosa products.

Buc cagers in close game with Los Gatos

The Campbell Buccaneer Varsity Basketball team, which seemed to be back on the winning trail when they defeated the Saratoga Falcons, 59 to 55, lost a close game to Los Gatos last Friday night by a score of 75 to 74.

An overtime period was called and Bob Burton made a school record with 38 points. Stoeven of Los Gatos was high point man for his team with 21 points. In the Saratoga game, which Campbell won, the Bucs held a 20 plus lead for the major part of the game. GARY PAPA

MURRAY HALL

Gary Papa, son of Ray and Margaret Papa, is one of the "new breed" of High School Athletes. Qualifying this statement is the fact that he is a steady honor student and also a great baseball player.

Gary feels that "there aren't enough school activities at Campbell" but "It's still a great school."

Gary has played Frosh-Soph and Varsity baseball here at Campbell High and has been selected for the all-league team twice. Hitting for a steady .300+ average, Gary is expected to be one of the main stays for the Campbell Varsity Baseball team this year.

Asked if he would ever turn to professional baseball Gary said, "Yes, I would. I've wanted to play professional baseball ever since I was old enough to pick up a baseball."

Gary plans to go to Santa Clara University and possibly major in Journalism with a minor in Physical Education. College is very important to Gary Papa for he said "I would take a scholarship to a University over any pro contract."

"Anything's disappointing if you wind up second place." This remark is the philosophy of Murray Hall, Varsity quarterback, Varsity forward and Varsity pitcher for Campbell High.

Murray, son of Mr. and Mrs. Robert Hall, excells in all of the three sports he participates in but gets most of his enjoyment from baseball. Murray will have pitched varsity ball for three years, making the All-League Team last year. Murray feels that this year's team "will be the greatest that Campbell has ever had."

Murray has maintained a high honor grade status throughout his four years at Campbell and was the Student Body vice-president last semester. Murrav feels that "the Student Council was a very valuable experience. It's just too bad that everyone can't participate in Student Council."

Murray's name may soon be seen on a professional baseball team's roster but Murray would rather go to college first. Murray's choice of college would be either Cal, UCLA, or Stanford and he hopes to major in law.

However great Murray may be in sports, he still feels that "school is more important."

STAN PRAISEWATER

Local youth to receive Eagle Scout award

Stan Praisewater, 15 year sophomore at Del Mar High School, will be presented with his Eagle Scout award Friday evening, February 28 when Troop 332, Boy Scouts of America sponsored by the Campbell First Methodist Church, will hold a Court of Honor. The event, which is open to the public, will be held at 8 p.m. in the Wesley Lounge of the church.

Stan, who is now Junior Assistant Scout Master in Troop 331, is the son of Mr. and Mrs. George C. Praisewater, 1700 McBain Avenue. A trombone player, he is also interested in railroading and map reading and holds merit badges in music, railroading and scholarship. He has attended four summer sessions of Hi Sierra Scout camp and has been active in scouting, both as a Cub Scout and Boy Scout for the last seven years. He received his Star Scout in August 1962 and Life Scout badge in February, 1963.

Campbell "B's" lose to the Cats

The Campbell High "B" Basketball team lost to Los Gatos Friday night with a score of 34 to 31. Out of the seven members of the team who played only four scored. Dwillis was high point man for Campbell was 12 points. Pankhurst was highpoint man for Los Gatos.

On February 18 the "B" team played Saratoga Falcon's "B's" with a score of 56 to 43 in favor of Campbell. This game marked the highest point total for the Buc "B's" this season. This win made their league record 11 wins and 1 loss and put them one game ahead of second place Leigh.

Boxers program will benefit March of Dimes
